The Liverpool Collection

LIVERPOOL
COLLECTION

Cast your mind back to Liverpool 1790, to a time when trade took place across the waves and goods like rum, whisky, tobacco, sugar cane, cotton and spice arrived from the New World into the bustling docks.

It was here in Liverpool, the world's largest port and the heart of the British empire, that the Bankhall distillery originated, who source the finest spirits and bring them to Liverpool just as they would in years gone by.

A portfolio that Liverpool can call its own.

Now NYL, the former Royal Insurance Building, bring you the very first Liverpool Collection Cocktail List.
